WELCOME TO HELENSVALE TAVERN

The Helensvale Tavern was opened by the Honourable John Szczerbank 29th September, 1990 and quickly became a meeting place for all locals.

The Tavern is a well presented, contemporary style venue. Internally the Tavern has a modern fitout with a single central bar service area servicing the bistro and sports bar. The kitchen is well located adjacent to the bistro. Renovations were undertaken in 2022 to refresh the furnishings and build a new function and event space. There is access to a drive through bottle shop and two designated smoking areas.

Our mission is to give our customers the ultimate convenience and we offer competitive prices and great service.

The top image shows the interior of Helensvale Tavern, a modern lounge with purple and blue lighting, people seated at tables, and a stage area in the background. The logo for Helensvale Tavern is overlaid on the top left of this image.

FAQ:

Am I legally obligated to use credit card authorisation forms?

Credit card authorisation forms are a best practice for merchants. They should be used whenever you take a payment by credit card and the card isn't present.

Why doesn't this credit card authorisation form have a space for CVV?

It's a violation of PCI standards to record a customer's CVV, which is why there isn't a space for it. Whenever a payment is necessary the CVV number will be requested from the customer

Why do I need to fill this in?

Due to ongoing costs and some payments that need to be made following an event, a card is required to be on file as insurance for the venue against damages or additional expenses. No charges will be made without prior notification to the customer.
